## FOUNDER'S VISION — SANT BABA NAHAR SINGH JI

The Babe Ke Group of Institutes was founded on the timeless spiritual and humanitarian principles of **Sant Baba Nahar Singh Ji**, whose life was devoted to selfless service (*seva*) and the upliftment of society through education and health.

Sant Ji envisioned an institution where young men and women from all walks of life could access quality professional education without financial barriers — where the spirit of compassion is woven into every lesson, every clinical placement, and every interaction with a patient.

His teachings emphasize: **Seva (Selfless Service)**, **Satya (Truth & Integrity)**, and **Gyan (Knowledge)**. These three pillars form the living foundation of our institution's e

*"Education rooted in compassion is the greatest service one can render to humanity. Heal with your hands, heal with your heart."*

— Sant Baba Nahar Singh Ji

## CHAIRMAN'S MESSAGE

### A Warm Welcome from Our Leadership

Dear Students, Faculty, Parents & Well-wishers, as we step into a new academic season, we are delighted to share our newsletter — a window into the vibrant life at Babe Ke Group of Institutes. Guided by the divine vision of **Sant Baba Nahar Singh Ji**, our institution continues to stand as a beacon of quality nursing education in Punjab. We are proud to announce the opening of admissions for our 2026 cohort and invite aspiring nurses and healthcare leaders to join our family.

**INDERPAL SINGH KLER  
(CHAIRMAN)**

Counseling / Admission	15–25 July 2026	Document verification & fee payment
Classes Commence	01 August 2026	Orientation week begins

## ■ CAMPUS HIGHLIGHTS — MARCH 2026 EVENTS

### FLAGSHIP EVENT

#### Nursing Ground Activity Day — 15 March 2026

The grounds of our campus came alive on March 15th as nursing students from B.Sc. 1st, 2nd, 3rd, and 4th year participated in our annual Nursing Ground Activity Day. This dynamic outdoor event blended clinical skills assessment with team-building exercises, first aid drills, and community health awareness stalls managed entirely by students. Faculty mentors evaluated practical competencies in a real-world setting. Senior students mentored juniors in vital-signs monitoring, wound dressing, patient-transfer techniques, and CPR demonstration — drawing appreciation from visiting healthcare professionals.

### SKILLS LAB

#### Inter-Batch Simulation Challenge — 22 March 2026

Our state-of-the-art simulation Centre hosted an inter-batch challenge where teams competed across scenarios including obstetric emergencies, paediatric triage, and post-operative care management. The winning team from B.Sc. 3rd year was awarded the Director's Trophy and cash scholarships. The event reinforced the institute's commitment to hands-on, experiential learning as the cornerstone of nursing excellence.

## OUTREACH

### Community Health Camp — 17 March 2026

As part of our commitment to community service, faculty and final-year students organized a free health camp in a nearby village, providing BP checks, blood sugar screening, nutrition counseling, and maternal health guidance to over 320 villagers. This initiative — a tradition since our founding — reflects Sant Baba Nahar Singh Ji's vision of healthcare as a universal right.

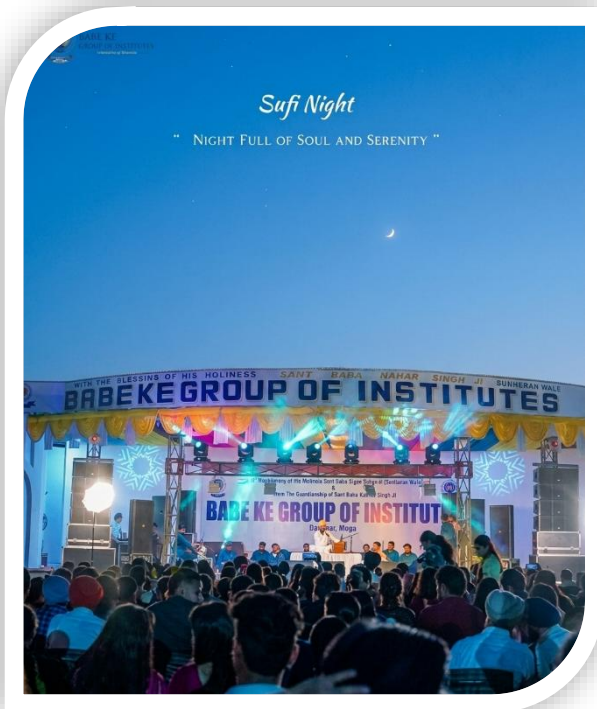

## World Health Day April 2026

## Bhartiya Nav Varsh Mahotsav 2026

## Sufi Night April 2026
